

CORPORATE SOCIAL RESPONSIBILITY POLICY STATEMENT

Taclus Confidential is committed to operating its business in a manner that is both sensitive and responsible with proper regard to its legal obligations and according to relevant directives, regulations and codes of practice.

We are also committed to supporting the Government's vision for Corporate Social Responsibility, specifically:

1. Promoting business activity that brings simultaneous economic, social and environmental benefits.
2. Encouraging innovative approaches and continuing development and application of best practices.
3. Ensuring the best minimum levels of performance in areas such as health & safety, the environment and equal opportunities.
4. Creating a framework that facilitates business practices that balance profit and success with achievement of social and sustainability goals.
5. Taking an active part in supporting the local community and social causes.

Commitment to Corporate Social Responsibility

Taclus Confidential recognises that its operations have an effect on the communities and environment in which it operates. In light of this, **Taclus Confidential** is committed to operating in a socially responsible manner as well as running its operation in an environmentally sustainable manner.

We believe that much of our success can be attributed to the values that we hold and that are embedded throughout the organisation.

Taclus Confidential core values are as follows:

This policy will be reviewed regularly and may be altered from time to time in light of legislative changes or other prevailing circumstances.
